The final items of the SFE Scale were as follows:

- 1) I watch international games because there are Taiwanese players in them.
- 2) I expect to see our players beat foreign players.
- 3) I expect a top-level performance from our players at international stadiums.
- 4) Even though it may cost me extra time or money, I still support our players and teams in international games.
- 5) I watch our athletes play in order to show my support.
- 6) I will support our players forever because they are the best to me.
- 7) Real Taiwanese should always support our players.
